CLIENT QUESTIONNAIRE

Thank you for calling THE CARR LAW GROUP for legal assistance relating to your finances. Please complete this form so we can provide you with helpful and accurate advice.

Under the law, you must list each and every debt, including debts to friends and relatives, and debts you plan to keep. This means, for example, that if you have co-signed for your nephew's car loan, you need to list that loan. Similarly, you should list debts even if you think the creditor has written off the loan or if you think that someone else may pay the bill in the future (i.e. a medical bill that may be covered by insurance). **Please provide the most recent statement or letter received by each creditor.**

How did you hear about us (Please check all that are relevant)?
